WELCOME TO NLCC

ALPHA is coming! What is the single greatest need for any person? The Alpha film series answers that question.

Alpha is a safe space to explore life purpose and the Christian faith, ask questions, and share your point of view. Alpha is free and everyone is welcome. This free course runs over eleven weeks, starting on Sunday 28th September. Scan the QR code below to register.

"You are the light of the world. A town built on a hill cannot be hidden. Neither do people light a lamp and put it under a bowl. Instead they put it on its stand, and it gives light to everyone in the house. In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven" (Matthew 5:14-16)

I'm very much looking forward to all that is coming up over coming weeks in the life and mission of the church. Whatever is going on in the world, or in your world, God is doing amazing things. Let's pray that more and more people come to know His amazing grace and wonderful love.

Pr Greg Crome

TENNANT CREEK TRIP TESTIMONIES

On Tuesday 8th July, a team of young people from Adelaide Christian Centre and New Life Christian Centre travelled to Tennant Creek in the Northern Territory for a week-long missions trip.

During their stay, they actively participated in regular church activities, responded to various ministry opportunities as they arose, and dedicated time to maintenance and painting work on the church facilities.

Testimony from Paolo

This last missions trip to Tennant Creek was amazing in that we had a group of young people willingly sacrifice their time, talent, and treasure for the benefit of others!

It was also very encouraging and inspiring to witness the amazing work of our church there, as well as see the heart Pr Jerry and his family have for this outback town.

I am spurred – Hebrews 10:24

Testimony from Felice

The trip was such a fulfilling and special time. It was an amazing opportunity to be able to connect with people in Tennant Creek and a blessing to hear many of their testimonies.

I also found it uplifting to see everyone's genuine heart and desire for Jesus in their life.

Testimony from Miriam

To have the opportunity to serve in Tennant Creek was a memorable experience for me. Having no prior knowledge of the area or community, I was looking forward to being able to engage with the people and help the church.

The women's ministry was such an encouraging night and also a chance for me to step out of my comfort zone. We took time to share our testimonies and pray for the women of the church.

The Tennant Creek show was also a great opportunity we had to reach out to the community. It was daunting at first having to be the one initiating conversations, but as time went on, I felt myself gain more confidence and really enjoyed getting to know the people.

The week went really fast, but it was amazing to see how God worked through all of us to bless the people of Tennant Creek, and I know we were all encouraged by their stories, sacrifices, and their commitment to serving God.

Testimony from Makenzie

Visiting our church in Tennant Creek was such a fulfilling experience. To take some time away from the more corporate lifestyle of Adelaide and spend time in an authentic community was so refreshing – from connecting with locals to working hard on refurbishing the church.

Knowing that this mission was for the Kingdom of God made it feel so purpose-filled, and as a result, it felt like God worked through all of us in various ways on the trip.

Testimony from Ethan

The trip was an amazing, eye-opening experience, seeing a different part of Australia. Spending the time serving and helping the local community, church, and God was an awesome opportunity to challenge myself, bond with others, and make new connections.

Testimony from Joel

Tennant Creek gave me a fresh perspective on the struggles within the Indigenous Australian community and their deep need for God.

It was powerful watching many of our team experience missions for the first time. I'm excited to see how God moves and transforms lives in this special community.

Testimony from Zoe

Our trip to Tennant Creek was such a special time. My favourite part of the trip was fellowshiping with the women of the church during their Bible study on Thursday night. It was an amazing group of women whom we learnt a lot from! I left feeling so inspired by their faith and passion for Christ.

Testimony from Yui

It was my first mission trip, and I had the opportunity to visit Tennant Creek with my connect group. While I was there, I heard powerful testimonies from the local church.

I felt overwhelmed by Jesus' love. Even though we all come from such different backgrounds, it was clear to me that we have all received the exact same love from God. Simeon

Testimony from Simeon

Tennant Creek was my first mission trip, and I wasn't sure what to expect – especially since it was my first time in the Northern Territory. This trip really exceeded my expectations.

I had the chance to work with an amazing team, help renovate the church, and connect with the community by spreading the gospel and playing soccer and basketball with the youth.

While there was a lot of pain and suffering in the community, it was inspiring to see the church making a difference.

I would definitely go on another mission trip with Adelaide Christian Centre and recommend it to anyone who hasn't experienced one yet.

Testimony from Antoine

My first official mission trip was in Tennant Creek, and it has been a transformative experience.

It was encouraging to be part of a team that was so on fire for God—both in word and action.

It was inspirational to see Pastor Jerry, Delia, and the team's heart and care for the community.

It was also surprising how multicultural Tennant Creek was. It just shows how God's love knows no bounds and breaks language and cultural barriers.

Hence why Tennant Creek church's presence is significant, as it is God's channel of love and blessing to that community.
